In the old centre of Zemun, in Negoseva Street, under the Gardoš tower, near the Zemun quay, a beautiful salon house with a yard and parking is located. The house has three floors: basement, ground floor and attic, plus an additional high gallery. The registered usable area is 375 m², and the measured area is 418 m². Basement - fully furnished basement rooms, with walls and vaults in old-style bricks, with a wet room and a technical room. Ground floor - master salon, three bedrooms, kitchen, three toilets, utility room, yard. Attic - in the full height of the floor: living room, two bedrooms, kitchen/dining room, two bathrooms, toilet, loggia, terrace and high gallery: two bedrooms. Heating: storey, electric boiler, clay stove. There is another building on the plot - a house with a base of 67m² is for complete renovation with the possibility of building a new house (total area of about 150m²) in the prescribed dimensions and permitted height. The facilities have two parking spaces: one located inside the yard and the other in front of the facility. Due to its size, it is suitable for business premises. Very rare...
